

Hoyer Applauds Administration Announcement on Changes to the PTSD Benefits Claim Process

WASHINGTON, DC – Congressman Steny H. Hoyer (MD-5) released the following statement on

“On Monday, the Department of Veterans Affairs will begin making it easier for a veteran with post-traumatic stress disorder (PTSD) to get the benefits they deserve.

“I welcome this important new rule to speed up PTSD claims processing, and commend Secretary Shinseki for his leadership in this effort.”
